

Attention FDA

0351 '00 MAY -4 AM :00

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

The FDA should pay if we are forced to take hearing test

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

Bought four hearing aids through tests by specialist and found no better hearing than going through mail order

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

No way

4. Should I be allowed to purchase hearing aids by mail as I choose?

you bet my money & if I choose wrong I will have ~~learned~~ learned something
